Chaplains Corner:

For those of us that ever had kids or if you ever watched kids, remember those days when they tried to take their first steps? When they were first learning to walk? They showed they were ready by pulling themselves up and taking a step or two. You reach out your hands to encourage them to walk toward you. We praised every effort and encouraged them to continue on. We never gave up until they could walk on their own. So it is with our Heavenly Father. He taught us to walk and on our own and was with us every step of the way. Our Heavenly Father stands before us with outstretched hands to encourage us toward holiness, eager to catch us when we stumble. He picks us up when we fall. He encourages our progress, and He never gives up on us. The more difficult the task we are attempting, the more care and kindness He expends. George MacDonald put it this way, "God will help us when we cannot walk, when it is hard to walk, but He will not help us if we will not try to walk." Even when we fall we must try again. Remember your Father holds you by the hand!

While we are on the subject of walking, if you don't walk or get exercise you get lazy. Laziness allows everything in our lives to get overgrown and broken down. God will help you with anything in your life that is overgrown or

broken down. All you have to do is put your trust in Him. Guard against laziness, get rid of procrastination, and do whatever it is that God is telling you to do. We should walk before we run but our goal should be to run to God when our world is crashing in all around us. First walk then run!

In His service
Auggie and Sunshine.
