#### Presidents Report:

I hope those that attended Legislative Days learned some good information to bring back to the rest of us. I want to thank those that worked hard to put this event on.

Our next project is the SnoBall!!!! We need items for the silent auction. This is our biggest fund raiser for the chapter. Again, if you frequent a business, ask for a donation. If you have some treasures that you would like to donate please let Susan or I know. We cannot get all the items ourselves so please help us out.

We will start decorating at 5:00 P.M. February 9th at the Oasis. Please come and help us decorate and set up food and the auction. Many hands make a big job small and fun.

Hope to see you all at the next meeting on January 27th, at noon, upstairs at the Side Hack. Come and join us for pizza and brotherhood. (Brotherhood is part of our name.)

Dianna gave a good report on the way things were going in legislation. We had a very good turn out of legislators at our meetings. Things really look good.

**Chaplains Corner:**

A little background on the ABATE Chaplain's position and the Chaplain's corner. In September of 2001 right after the Twin Towers incident, Bill Muldoon was the President of Rushmore ABATE. He with the approval of his board asked Sunshine and myself to be the Chaplains for ABATE and we were honored to say yes. In the beginning Sunshine and I would take turns writing the monthly articles as our schedules and the word we heard from the Lord dictated. We had different styles and some folks liked her articles and some liked mine. Fast forward 17 years. As her illness progressed it seemed I would write more of the articles and now we are at the point it is just me. As I was going through some of Sunshine's papers the other day, this writing jumped out at me. She evidently liked it and saved it so I thought I would share her final word with you this month. Enjoy.

Until next month, Ride safe and Ride often.  
In His service, Auggie.

*Would a summer day beckon the Lord and a friend to jump on a Harley and ride like the wind? Would He thrill at the feel of the wind on His face? How far would He ride and to what kind of place? Would He ride to the mountains to shout from the top? Or down to the seashore before He would stop? Would they choose where to go next by flip-pin' a quarter? Would He kick off His sandals and walk on the water? I wish I could ride with the wind on my face to the mountains, or seashore or any old place and I know that I'd pray that the day wouldn't end, Riding high on a Harley with Jesus my friend.*
