Presidents Report:

First of all, I want to THANK everyone that helped make the SnoBall a great success. Fun was had by all, music was great, and the food delicious.

I also want to THANK our donators for the silent auction. You helped us raise funds to continue to support ABATE's mission. I also want to THANK the Oasis/Fireside for sponsoring the band. Again, a GREAT BIG THANK YOU!!!!!!

Our next event is the bike show on March 16th & 17th. This year we will be sharing a vendor space with Rushmore Chapter. Our goal is to recruit new members for ABATE. We will be signing up for volunteers to work the booth and to help set up and tear down. Details will be discussed at our next meeting on Sunday, February 24th, upstairs at the

Side Hack. Come and join us for pizza.

I do hope to see you all at the meeting. Remember, this is your Chapter, you get out of it what you put into it. Everyone has ideas to help make our Chapter better so come and share them with us.

See you at the meeting!!!!

Jack Hendrickson , State Rep

Meeting was brought to order by Jiggs. Secretary and Treasurer's reports were given and accepted.

The State and chapters gave special thanks to members who have been outstanding through the years.

The State agreed to give products manager, Carl, \$1000 for travel expenses. He and his lovely bride, Syndi, are doing a wonderful job.

That's about all for now. Later. Jackson

The people with organizational plates need to be sure to put a sticker of organization on their plates.

Dianna gave a good report on the way things were going in legislation. We had a very good turn out of legislators at our meetings. Things really look good.

Bikers Inside the Beltway would like chapters to give a donation to help with expenses. A very costly excursion.

Chaplains Corner:

Sometimes things come our way and we wonder why and will it ever change or pass.

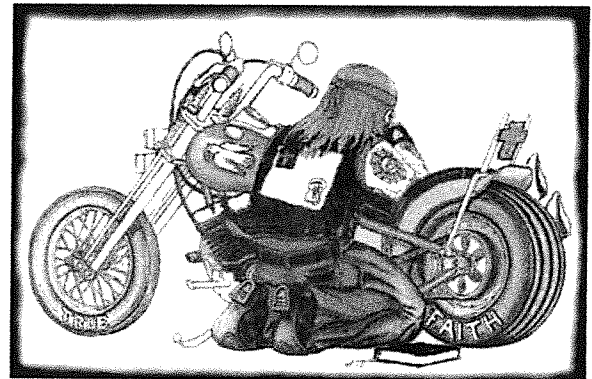

Today I sit and look outside and I am thinking about how it is getting pretty old waking up to 4 below zero and snow and ice outside. Can't even think of riding my motorcycle and then it hit me, this won't last forever and it will be spring and time to ride soon. It just takes trust and time. So, it is with the tuff things in our life they too shall pass. God's promise is He will never leave us nor forsake us. There again, we just need to have faith and trust in Him. He will get us through this just like he gets us through the winter weather and into the beautiful spring and summer. We just need to be patient and put our trust in Him.

As we move forward let us trust God and lean on our friends to help move us from one time in our lives to another just as winter moves into summer and things are good again. Give us the strength, courage, and wisdom to

persevere. Thank you Lord.

Until next month, if the weather changes, Ride Safe and Ride Often!!!

In His service,
Chaplain Auggie
