Lee wants to remind everyone that the Motorcycle classes are being planned. He would like to know if we would like to try to

Happenings on the State Level:

Jack Hendrickson , State Rep (Wayne Lettau, sub)

Due to COVID-19 Pandemic of 2020 the Board of Directors Meeting was held through emails prior to the on-line meeting May 16, 2020.

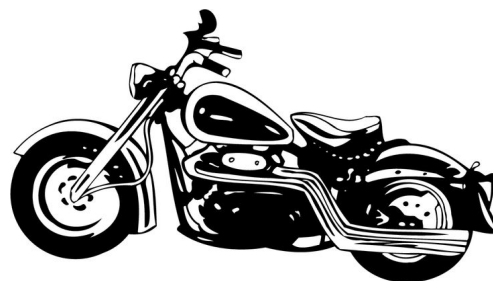

Jiggs called the meeting to order. Secretary and treasurer reports were given and approved.

We have 1613 members & 60 business supporters across the state. The BOD had 2 t-shirt designs to choose from for the 2021 Legislative Days shirts. The board voted & chose a design for the new shirt. Carl will get to work on getting prices & will be advertising in the next few newsletters.

There was discussion on who to support in the primaries. Checks will be going out to the individuals decided upon.

It was decided to extend sales of the State Raffle tickets past July. They won't start drawing tickets until all sales are final. Everyone is to send information to Jiggs & Karline as to what tickets have been sold, to whom & what tickets they have left. Send the money collected to Jan.

The person that was interested in the state treasurer position will be unable to take the position so we are still looking for a treasurer. If you know of anyone that might be interested, have them contact Jiggs.

Chaplains Corner:

Let me start out this month by saying most folks love South Dakota because of the four seasons. We have been waiting for this season that I call the riding season. When I lived in Alaska the people that did not ride a motorcycle said it had four seasons but if you did ride a motorcycle the joke was there was only two seasons, winter and construction.

Have you ever been out riding and all of a sudden traffic slows down and you see a sign that says construction ahead, expect delays? When crews work on the roads they put up signs warning us of delays. Our walk of faith is littered with these signs. When we pray about things we want results with no delays. We are used to having everything on demand in this day and age and waiting is uncomfortable. Sometimes God is stretching our faith. If we are patient and keep asking we can push on through just like the road construction. If we are patient and observe the signs and the flag person or pilot car, we can continue on to our destination.

As we slow down to read the signs and see what is going on thoughts go through our minds like, they just paved this road last year. Now they are tearing it up again. Then I wondered why is road construction never done? It seems like we never see a sign that says please enjoy this road because it is finished.

Something similar happens in our spiritual life. When I first became a Christian I thought I would reach a point where I would have life all figured out and like the road things would be smoothly paved and finished. Many years later I have to admit I am still "under construction". In Hebrews 10 it says Jesus went to the cross and that made us whole and finished.

One day when we meet Him face to face we will be like Him but until then we are still "under construction", so be patient and press on.

Until next month Ride safe and Ride often!

In His service,
Chaplain Auggie (AKA NOBODY)
