Happenings on the State Level:

Wayne Lettau—Subbing for Jack Hendrickson

The regular July meeting was held with 2 Reps absent & one substitute which was approved. All officers were present except Treasurer, Membership Secretary & Products Manager.

The Secretary's report was given & the minutes were approved. The Treasurer was absent but sent in a report & it was approved.

The Membership Secretary was absent but sent in a report & it was approved. She also asked if more Road Hazard cards could be printed & that was approved.

Newsletter Editors report was given & approved. A cost analysis for the newsletter & compared ad revenue with extra pages printed. These cost figures will be used later in the year when the organization does a cost per member analysis for the end of the year report.

The Products Manager was absent but sent in a report with updates on sales, inventory & travel budget used.

MRF report was given. HB3684 passed the House. This is the Hwy bill & does include all the wording that we feel is key to motorcycling & the future. An update was also given on the ethanol fight & all is still good there. A judge ruled in favor of us & declined the prospect of selling the higher content of ethanol year round. So it will go back to only being legal in the summer time.

The IMPAC report was given. Everything is ready for the Social Hour during the rally. Jiggs reported that due to lack of response from the person who administers the grant for maps, there will be no maps this year. He will keep trying to make contact & try to get something done for next year.

Jiggs reported that the cost of membership is now listed on

the website.

The Mentoring Program info was sent to Brad to do something with it.

The Museum Hall of Fame breakfast has 6 tickets still available. If interested contact Jiggs for tickets.

The State Raffle Fundraiser was discussed. The Board voted to cease sales as of the meeting & then drew the required July winning numbers. Jiggs will post all winning #'s as they are drawn & checks will be sent out.

Jiggs & Hillary gave a report on Bikers Inside the Beltway from DC. They had 3 good fruitful meetings with our Congressional members. They both expressed the importance & the value of these trips. They both hoped that even more members could be sent in the future as it was educational & a worthwhile undertaking.

Voting was held even though there was only one nomination for each office. Jiggs, Karline & Geri were voted in & will continue in their positions.

Geri reported computer software problems but we are hoping that once Karline gets back in the state she can fix the problems for Geri.

The Board decided to approve the usual 4 spots & 2 motel rooms for Meeting Of The Minds this year in Atlanta. So far Jiggs is the only one planning on attending but there are spots available in case anyone else changes their mind & decides to go.

With no further business to discuss the meeting was adjourned.

BLACK HILLS CHAPTER RIDER CONTEST

This contest is open to all members of the Black Hills Chapter. The contest runs from January to December. Prizes will be awarded for: Most Miles, Least Miles, 0- 5000 miles and 5001 miles and above. This form will have to be verified by an officer if you trade or sell the motorcycle listed. Once verified another form will be made out and will include the miles ridden on the previous motorcycle and starting mileage of the new motorcycle.
